POT OF TEA

WINCHESTER ENGLISH BREAKFAST £1.95
Originating from Assam, India, it has a full rich, malty taste and is the best breakfast Assam tea we have tasted yet—which is why it has been given the name of Winchester city.

EARL GREY SUPREME £1.95
Top quality Ceylon tea well perfumed with the finest natural bergamot oil and decorated with cornflower petals. It is full bodied, rich in flavour and has a striking appearance, an Earl Grey that is perfect with or without milk.

ASSAM DECAFFEINATED £1.95
The finest Assam gently decaffeinated using the CO² method which involves natural elements of pure water and carbon dioxide. The brew is strong and malty with a hint of a chocolaty aroma.

DRAGON WELL IMPERIAL £2.25
This is the highest grade of one of the world's most famous and sought-after green teas. Each individual leaf and bud is hand-pressed and shaped in a wok to achieve the perfect level of roasting. This process creates an emerald infusion that tastes of sweet chestnuts.

CLASSIC CHAI £2.25
Indian spiced tea as it should be, strong in flavour with aniseed, cinnamon pieces, ginger pieces, black pepper, cloves and chicory roots. This Classic Chai is pleasant and strong in flavour. The intensity of taste is due to the carefully selected and authentic ingredients.

SILVER NEEDLE £2.50
Originating from Fuding, China, a region with soothing waterfalls and crystal clear lakes. Long soft and downy, it's the first of the spring buds of the da bai tea plant. Silver Needle tea has a soft and mellow flavour with the freshness of a crisp young apple and the soothing sweetness of a ripe cantaloupe.

WINCHESTER FRUIT BASKET £2.25
A rich blend of fruits which can be enjoyed hot or cold, contains a combination of hibiscus blossoms, rose hip peel, apple pieces, elderberries, whole blackberries, strawberries and raspberries.

APPLE & GINGER £2.25
This blend features apple and ginger pieces, with rosehip peel to add a fruity flavour. The result is a sparkling, aromatic drink and an incomparable fruit tea blend.

PEPPERMINT £2.25
Char has used only the finest leaves in this premium-quality peppermint tea. It comes from the high content of ethereal oils, including a high proportion of menthol. Peppermint is popular for its digestive properties and calming effects.

CHAMOMILE £2.25
This is a very high quality chamomile tea. The hand-sorted loose flower chamomile is more intense in flavour than the usual product and is naturally caffeine free. Chamomile tea has been used since Neolithic times and is reputed to have relaxing qualities. Drink hot or cold, plain or sweetened with honey.

RED BUSH £2.25
Rooibos tea is made from the dried fermented leaves of the South African shrub *Aspalathus Linearis*. It will only grow in a small arid area of the Cape Province. Rooibos is claimed to have all the antioxidant benefits of the camellia tea.

Rooibos tea is naturally caffeine and tannic acid free. Char's rooibos tea is of the highest quality and has undergone the most thorough sifting and cleaning. It has been repeatedly sieved to ensure an even and high quality final product - a 'super grade' quality from cultivated rank growth.
